

Dear Senator,

Please STOP THESE SHOTS! Only 25 people had to die before the Swine Flu vaccine was pulled.

HOW MANY PEOPLE HAVE TO DIE AND BE INJURED WITH THIS INEFFECTIVE SHOT? Currently there have been over **675,000 injury reports** with over **14,000 DEATHS**, and over **18,000 PERMANENTLY DISABLED**. And we know the 14,000 is much more than that. The Harvard study done for HHS showed that only 1% of adverse events get reported.

***So add two zeros to those numbers.***

**HOW MANY HAVE TO DIE FROM THIS SHOT? IS THERE NO LIMIT?**

Ivermectin and hydroxychloroquine DO WORK. All effective meds are being suppressed because the shot could not get authorization if there are any effective treatments. This is MURDER in my book.

**It is acknowledged that the current shots DO NOT help with the Delta variant**, which is more transmissible. So how can the shots be mandated? They are already out of date.

IF YOU CANNOT STOP THE SHOTS, PLEASE STOP THE MANDATES FOR THESE DEADLY SHOTS! MAKE THEM ILLEGAL!

How can any mandates be justified when the shots do not even prevent transmission, and have a history of blood clots, neurological problems, deaths and more?

Insanity Rules in the U.S. as Hospitalizations and Deaths Among Vaccinated “Breakthrough” Cases Surge While Health Authorities blame the “Unvaccinated”

PLEASE STOP THE SHOT!

**Deaths from covid are horribly inflated.** We all know that hospitals got and still get major bucks for each death. I personally know of families who had to jump through hoops to get the death certificate of their loved one CORRECTED because it was NOT COVID that they died from. So I doubt there has even been a true “pandemic” except one of fear.

Also, there is massive proof that **“natural immunity” is far more robust** than whatever the shots ever did. When you get the virus BOTH SIDES of your immune system go to work, resulting in far more robust immunity than the shot, with the ability to recognize and respond to all the covid variants. THIS IS BEING IGNORED AND LIED ABOUT! These shots are not about health AT ALL.

And the CDC acknowledged on their website that the **PCR tests do not differentiate between the flu and covid.** But the tests are to be continued being used through December, until the new test comes out (that I’m sure Fauci has a part in). SO ALL THESE “CASE” numbers are LIES. Yes, people do get

covid, but NOT the number being reported, especially those with no symptoms. This explains why there were no flu deaths last year. They were all labelled covid. Plus the directives as to how to use the PCR tests is totally manipulated. Now it's put the cycles up to 40 if testing an unvaccinated person (making it likely a positive) and put the cycles down to 20 if they are vaccinated.

I have close friend who shared with me that her nurse friend (in another state) said there were 50 cases of covid in the hospital where she works. Half are fully vaccinated. The only young person there weighs 250+ pounds and the common denominator between all 50 patients is obesity. If this was about health, that would be a focus, helping people chose healthier foods, etc. instead of coercing people to get the shot with donuts and French fries.

**CURRENT DEATHS & INJURIES:** <https://openvaers.com/covid-data>

I'm attaching a document with statements, etc. by **MD's, Attorneys, & Whistle Blowers. PLEASE review it.**

For the FDA to approve this shot is just further proof that the FDA, the CDC and the NIH and more are **CAPTURED AGENCIES.**

Please protect your constituents. NO MANDATES. And STOP THESE HORRIBLE SHOTS.

**If you can suggest anything I can do to help with this dire situation where people are having to choose between keeping their jobs and taking the shot, please tell me.**

This is total insanity in my opinion.

Thank you for all you do.
